Engine Stands - Shop Equipment - The Home Depot
THE BEST DAMN ENGINE STAND. THAT MONEY CAN'T BUY . As I stripped the engine of intake, heads, oil pan and water pump... I finally removed enough weight (about 250 #s) to force the stand to let me roll the block over to get the crank out and punch out the pistons... the bare block was just about the max that my old blue stand could endure.

Vein Stands
This stand is a lot more than just a stand, it is a test-stand, so you can actually fire up your engine and test it out before installing it in the car. These don't rotate though, so you can't build the engine on the same stand. Once you have the engine out, you have to store it somewhere. The best way to do this is to mount the engine to a ...
