She lives in Syracuse, New York, where she is a SUNY Distinguished Teaching Professor of Environmental Biology, and the founder and director of the Center for Native Peoples and the Environment.

Braiding Sweetgrass | Milkweed Editions

In Braiding Sweetgrass, Kimmerer brings two lenses of knowing together (tools of science and indigenous wisdom) to reveal what it means to see humans as "the younger brothers of creation". As she explores these themes, she circles toward a central argument: The awakening of a wider ecological consciousness requires the acknowledgement and celebration of our reciprocal relationship with the world.
