Students will not be given partial credit for the multiple choice questions; however, students may earn partial credit for the free response questions. NO books, NO formula sheets, and NO notes are allowed during testing!

MAC1105, College Algebra Study Questions for Common Final Exam

Study regularly. The best way to prepare for an algebra exam is to keep at it. If you learn the material along the way, you will already know what you need to know for the test. But if you put off studying until the evening before an exam, you probably are not going to be able to absorb all of the math concepts being tested.

How to Study for a College Algebra Test | Synonym
