Europe And The People Without

Offering insight and equal consideration into the societies of the "civilized" and "uncivilized" world, Europe and the People Without History deftly explores the historical trajectory of so-called modern globalization. In this foundational text about the development of the global political economy, Eric R. Wolf challenges the long-held anthropological notion that non-European cultures and ...

Amazon.com: Europe and the People Without History ...

This book should be titled "Europe and the history without people". It is a protracted screed of social science theories and a history of the world told from the perspective of an iron pot being traded for a beaver fur. The whole thing is an argument against social science types writing history.

Europe and the People Without History by Eric R. Wolf

Europe and the People Without History is a book by anthropologist Eric Wolf. First published in 1982, it focuses on the expansion of European societies in the modern era. "Europe and the people without history" is history written on a global scale, tracing the connections between communities, regions, peoples and nations that are usually treated as discrete subjects.

Europe and the People Without History - Wikipedia

Offering insight and equal consideration into the societies of the "civilized" and "uncivilized" world, Europe and the People Without History deftly explores the historical trajectory of so-called modern globalization. In this foundational text about the development of the global political economy, Eric R. Wolf challenges the long-held anthropological notion that non-European cultures and peoples were isolated and static entities before the advent of European colonialism and imperialism.

Eric Wolf's Europe & the People Without History (1982) is a foundational work for anthropology, history, and global studies. I read parts of Europe and the People Without History my first year of college for a seminar titled "Imperialism, Slavery, and Revolution" with Shanti Singham. I tackled the rest over the summer when I returned home to Montana.

Eric Wolf, Europe and the People Without History ...

2. Europe and the People without History. Eric R. Wolf. The central assertion of this book is that the world of humankind constitutes a manifold, a totality of interconnected processes, and inquiries that disassemble this totality into bits and then fail to reassemble it falsify reality. Concepts like "nation," "society," and "culture" name bits and threaten to turn names into things.
