IPEM Report Series . IPEM Report Series is a series of best practice publications in a range of specialist subjects in Medical Physics and Bioengineering written by IPEM Special Interest Groups and published by IPEM. We currently have around 40 in print/for sale and more are in production. SPECIAL SALE NOW ON: Up to 70% off these reports. *

IPEM > Scientific Journals & Publications > IPEM Report Series

Furthermore, IPEM report 91 defines two categories of testing, level A tests that are 'likely to be undertaken by radiographic staff' and level B tests that are 'likely to be undertaken by medical physics staff'.

IPEM Members: £ 31.50 (plus P&P) Non Members: £ 45.00 (plus P&P) Physical Properties of Tissue: A Comprehensive Reference Book. This comprehensive data book, covering the physical properties of a wide range of normal tissues, was originally published in 1990, but has been out of print for many years.

IPEM > Scientific Journals & Publications > IPEM Books

IPEM supports a sustainable approach to open access publication and our journals accept articles to be published free for anyone to read. Our Special Interest Groups regularly produce new or updated scientific reports on specialist subjects, overseen by a series Editor in Chief. We currently have around 40 reports in print and more in production.
