A quick start guide or quickstart guide is in essence a shortened version of a manual, meant to make a buyer familiar with his or her product as soon as possible. This implies the use of a concise step-based approach that allows the buyer to use a product without any delay, if necessary including the relevant steps needed for installation. A quick start guide, or QSG for short, focuses on the most common instructions, often accompanying such instructions with easy-to-understand illustrations. Th
